

Creating partnerships in the world of fashion and lifestyle

Trusted partner to F&L brands in the global top 100

Fashion Supply Chain Solutions for Oceania

In the world of fashion, it's essential to stay ahead and anticipate the next big trend in a constantly evolving industry. This foresight and adaptability are what set us apart. That's why many of the world's top 100 Fashion and Lifestyle brands trust and choose us as their preferred logistics partner.

Kerry Logistics provides tailored, cost-efficient, and dependable supply chain solutions catering to a diverse range of Fashion & Lifestyle brands. This includes everything from luxury items and fast fashion to sportswear, accessories, and lifestyle products.

About Kerry Logistics:

We are Oceania's specialist for global logistics, standing as a top service provider with a solid foothold in Australia and New Zealand. Alongside our global presence in 59 countries, we have local operations in key gateways including: Melbourne, Sydney, Adelaide, Auckland, Palmerston North, and Christchurch."

Multi-Country Consolidation

Our MCC solutions cover carrier / forwarder management, DC bypass and e-commerce support. We offer cost-efficiency and enhanced visibility by effectively consolidating your shipments from multiple suppliers and countries through FCL or LCL. The benefits are improved load factors, reduced transit cost and shorter lead time to markets.

International Freight Forwarding

Through a robust network of connections with ocean, air, and land carriers, Kerry Logistics delivers reliable and cost-efficient freight services. We offer all conventional cargo transportation including: FCL, LCL, Multimodal, charters, and time-definite products.

Customs Brokerage

To minimise the risk of delay, we employ brokerage staff experienced in the intricacies of local trade regulations, processing over 30,000 entries annually.

To provide the fastest access to the market, we are part of the **Australian Trusted Trader** program, which reduces red tape at the border, improves certainty in export markets, and expedites the flow of your cargo in and out of Australia

Duty Reviews

Our services cover consultation on import / export and customs matters. **We conduct regular duty reviews to ensure your business pays the least amount of duty as legally possible whilst maintaining a strong focus on compliance.**

Distribution Centre Fulfilment

Our extensive network of bonded and non-bonded logistics facilities supports your local and regional warehousing needs and nationwide distribution in key consumer markets. You can also enjoy the extra value of overflow management, store stock take, and secured packaging for high-fashion transportation.

E-commerce Solutions

To support your O2O businesses, we offer total e-commerce solutions to meet your marketing and logistics needs – from B2B, B2C to B2B2C.

Landed Costings

Our Landed Cost Calculator helps you determine an accurate estimate of the landed cost of your products by calculating the various import duties, GST, taxes, and other government fees that will be added to your goods before they arrive at their destination.

KerrierVISION

All services are accompanied by our KerrierVISION IT platform, allowing you to track and trace your shipments from the moment the products are collected through to final delivery. To suit your needs we offer 3 options:
